

LG Quick-Release Pins

Single acting pins

- Positive locking
- Push button to release
- Hardened and ground for strength and precision

Material and Finish

Body: Hardened stainless steel
Handle: Aluminum, black anodized or stainless steel passivated

Notes

Southco is a QSLM certified manufacturer of quick-release pins. The **LOCKWELL®** Quick-Release Pins on this page can be manufactured to the specification of NAS 1333 thru NAS 1346 and MS 17984 thru MS 17987. Parts ordered to MS and NAS specification are certified to NAS 1332 and NASM 23460.

Additional pin configurations and sizes, including metric pins are available on request.
